

OLUWASEUN O. ASHIRU

PROFESSIONAL SUMMARY

Dynamic and service-oriented Travel Advisor with over four years of international experience in hospitality and travel advisory roles, complemented by a strong foundation in teaching, technical repair, IT marketing and customer relations. Known for clear and empathetic communication, adept problem-solving and meticulous attention to detail, skills honed through diverse roles including mathematics instruction, solar inverter servicing, and concierge work at a leading five-star hotel in Lagos.

With a talent for coordinating complex logistics ranging from visa processing to cruise bookings and airport transfers, I excel at delivering seamless, tailored experiences for both domestic and international clients. Tech-savvy and adaptable, leveraging IT skills to enhance marketing performance and service efficiency. Academically grounded in technical education with OND and HND credentials from Yaba College of Technology and fully bilingual in instructional and travel contexts.
